Gentlemen;

I have had a personal conversation with Joe Helfrich and Steve Demczak about the NOI, concerning lining up drillers for the 8th of September. We can potentially delay them another week, but we will lose our drillers if we have to post-pone beyond that. We are aware this is our problem, however any assistance you could provide, would be appreciated.

Vicky Miller

The Division received your application for the above-noted permit change on August 19, 2008. Pursuant to R645-303-221, the Division completed the requisite 15-day Initial Review (IR) and accepts this application for a technical review. The Division anticipates this review will be completed by October 20, 2008.

If you have any questions, please call Steve Christensen at (801) 538-5350 or Jim Smith at (801) 538-5262.
